Any occasion is a great opportunity
for a piece of cake...

But for your special day, you need the
best one !

CROQUEMBOUCHE,

The croquembouche is a traditional French wedding or christening cake, made with choux filled with flavoured pastry cream and topped with caramel. All the choux are assembled to create a mounted piece.

Its traditional shape is a cone or drum, but you can get more creative and go for a boat, a truck, a heart shape or anything you fancy!
